

**Design Concept Report (DCR) and Environmental Overview (EO)
Project Newsletter**

**Public Interactive Open House
All are Welcome!**

**Wednesday, September 7, 4:00-6:00 PM
At Espire Sports in Prescott Gateway Mall
3400 Gateway Blvd, Prescott, AZ 86303**

(Formerly the Sears store—direct entrance from SE parking lot near the corner of Lee Blvd. and Gateway Blvd.)

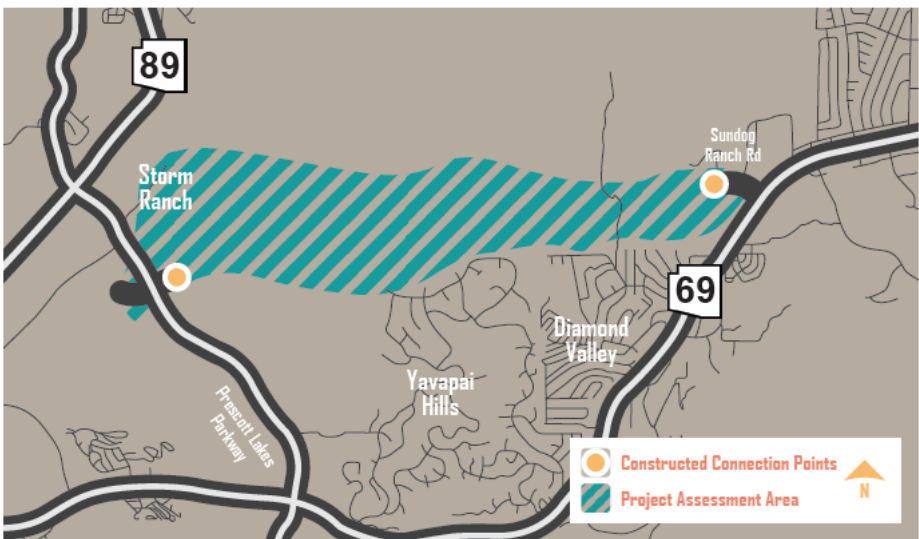

In this issue:

- First Public Open House
- Current Task Update
- Project Timeline

Drop in anytime and stay as long as you like to:

- Learn more about the project's history and why it's included in the regional plan
- Explore the project's purpose and need — share ideas on how to address these issues
- Share your thoughts on design elements that could be included if the project is constructed to help us best reflect the community's needs

During our second public outreach event scheduled for February 2023, we will present the design alternatives for public consideration and comment.

What is the Project Team working on Now?

Existing & Future Conditions Analysis:

- Data for Traffic, population, and employment
- Pavement and Geotechnical Needs
- Drainage and wash crossings
- Research Right-of-Way
- Summarize known environmental issues and potential risks
- Evaluate environmental components such as biological and natural resources, cultural resources, wildlife/ecosystem impacts

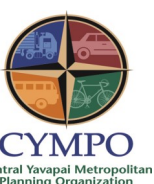

Identify Purpose and Need:

- Solicit Public Input to help inform:
- Recommended Intersection Locations
- Multimodal considerations (bike, pedestrian, equestrian, public transit, etc.)
- Roadway features and accessibility
- Evaluation and Identification of a preferred Build Alternative
